Don't let money keep you from achieving your goals. Our practice is pleased to inform you about the patient services program and option packages we offer. Our Medical Group has many packages and financial options we offer thru ARC, a National Network of premier infertility programs to assist our patients with the challenges of infertility.

The ARC Package Solutions™

IVF Cycle Option Packages:	Fees	Cycles
One-cycle Plus™	Most affordable \$9,436.15	2 IVF cycles--one fresh plus one frozen embryo transfer
Two-cycle Plus™	\$16,432.71	4 IVF cycles--two fresh plus two frozen embryo transfers
Three-cycle Plus™	Best Chance for Baby <small>*The package price is determined by the patient's age and medical factors. Patient must call ARC and complete a program application.*</small>	6 IVF cycles--three fresh plus three frozen embryo transfers
Donor Plus™	\$13,278.26	2 Donor cycles --one fresh plus one frozen embryo transfer

The ARC Refund Guarantee™

Depending on the type of program chosen up to 100% of the cost of care *and the cost of Refund Guarantee* can be refunded. This program has been used successfully by many patients since its inception over 11 years ago. While IVF is a very successful treatment, the national averages demonstrate that the average patient needs more than one-cycle of IVF to take home a baby. Hence, Advanced Reproductive Care offers three different options for a patient to choose from.

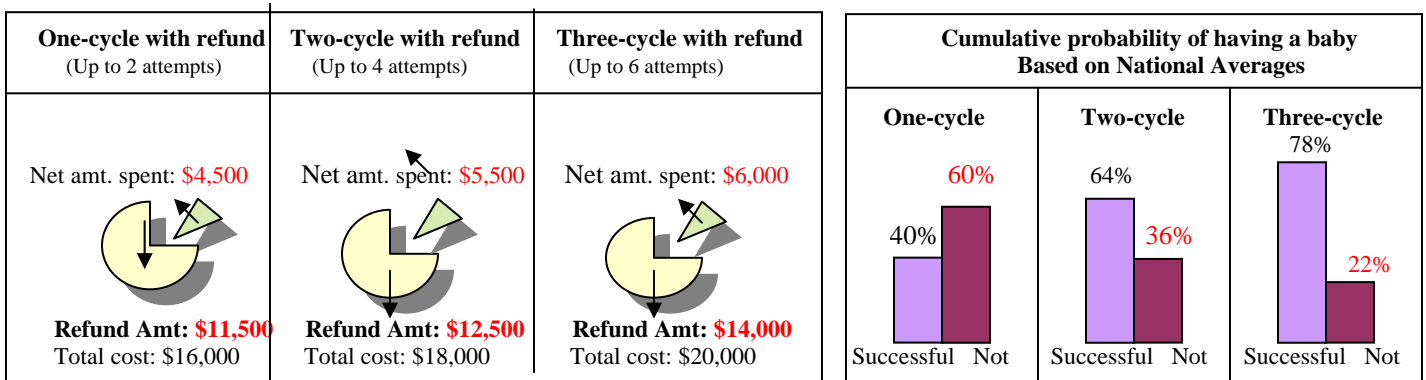

Choices: The ARC Refund Guarantee™ is available on all our options:

One, Two and Three-cycle treatment packages as well as our 100% Refund option on Donor packages

Benefits of The ARC Refund Program™: This program helps with predetermined discounted package-pricing, payment plan options and a money-back refund guarantee program. This program maximizes your probability of taking home a baby while making the cost affordable and minimizing your financial risk.

- All patients qualify:** This program is very flexible, so that all patients can qualify for at least one of the Refund plans offered.
- Cost:** The pricing of the ARC Refund is determined after we have received The ARC Program Application™. The cost of the program depends upon many different factors like age, fertility status, the type of treatment package chosen, the ARC practice where you will receive your treatment, use of donor eggs, and the type of refund guarantee you have purchased.
